

## Calling all Nannies, Parents and Child Carers!

Ask yourself these two questions:

- 1) Would you be confident in spotting the signs and symptoms of Meningitis?
- 2) Would you know what to do if a child was choking?

**Code Blue Education is offering 1 day courses comprising of three vital areas:**

- **Basic Life Support with Choking & Meningitis Awareness**
- **Health And Safety in the workplace or home**
- **Food Safety**

The course is based on 1 day attendance at our medical training facility in Brentford. Refreshments are included and public transport links are excellent. All our tutors are City & Guilds qualified lecturers or critical care nurses. Their experience is second to none and by the end of the course you will feel confident about dealing with day to day demands.

For agencies we can offer a group booking of up to 12 candidates at our location or yours for £500.00 which includes the certificates. Individuals can be booked on courses subject to availability and dates etc for **£50.00 a person**. Your certificate is valid for 1 year and can be renewed annually if required after taking our refresher course at discounted rates.

We have a friendly team of tutors and provide all the equipment to give you the best possible experience and hands on education.

You don't have to be a professional child carer to benefit from this course, it is designed to give you the skills and confidence to deal with day to day activities involving children and babies. For the relatively small cost of the course you will gain peace of mind that your skills may help a child in need or prevent illness or accident in the home or workplace.

***We are able to offer course vouchers for anyone wishing to provide our course as a gift.***
